## AUTO ACCIDENTS BRING DEATH AND INJURY

B. E. Williams, 50 of Cedarville and Minnie German, 30, of Bushnell, near North Hampton, were seriously injured Monday night at 8:20 when the Ford coupe in which they were riding crashed head on into a street car at Clifton ave and Indiana ave.

Ralph Grim, motorman of the south bound car, said he saw the machine approaching in the middle of the street, but expected the machine to swerve out of the tracks. The automobile was practically demolished by the impact.

Mr. Williams is a salesman for the Cedarville Ford Agency and was taken to the city hospital with a cut in the scalp, a bruised chest and broken arm.

Miss German, who received a cut in the scalp, bruises on the face and cuts on the arm was taken to the hospital and later taken home, Springfield Sun.

Mr. Williams was brought home Tuesday night and his condition is reported much improved being able to sit up some.

Four persons were killed and one seriously injured Wednesday when a D. T. & I. train hit a sedan just north of Jeffersonville. In the party were Mrs. Lydia Hoyer, aged 80, Mrs. Orman was uninjured. The parties man and Betty Orman, aged 3. An eighteen months old daughter of Geo. Orman was uninjured. The parties all resided in Washington C. H. The track is clear for quite a distance at the scene of the accident, which was near the home of Forrest Fields.

## RED CROSS ROLL PLANS NOW UNDER WAY

Plans are progressing for the 8th Red Cross Roll call under the Chairmanship of Mrs. Charles L. Bales of Xenia. Mr. Wilson W. Galloway will act as chairman of the Roll call in Cedarville township and will enlist his workers this week.

Friends of the Red Cross knowing the constructive work done in Greene county, are anxious to help.

The Roll call starts November 11th on Armistice Day and closes Thursday November 28th, Thanksgiving day. This is the annual day set aside by the National American Red Cross for all Red Cross Calls throughout the United States.

The quota for the county is \$4,500. Meetings will be held in the various townships and talks made explaining the work.

Mrs. Charles Ritenour will be the chairman in Ross township. Mrs. Allyn Swinnerton of Miami township and Miss Emma Blain of Silvercreek township assisted by Mrs. Braden Smith.

## REV. ORLAND RITCHIE ORDAINED PASTOR

Rev. Orland M. Ritchie was ordained pastor of the Seventh United Presbyterian church, Pittsburgh last Thursday evening. Dr. E. M. McFadden had charge of the service. Dr. J. W. Watson of the Second church preached. Rev. Johnson of the Fourth church gave the charge to the people. Rev. Ritchie is a son of Rev. C. M. Ritchie, formerly of Clifton, where he was pastor of the U. P. church. Rev. Orland Ritchie is a nephew of Mr. and Mrs. A. E. Huey.

## LICENSE MONEY DISTRIBUTED

Secretary of State Thed H. Brown, has announced the distribution of \$542,540.03 of funds derived from the sale of automobile licenses. This makes a total total of \$11,236,975.22. The balance of this money is in the State Treasury awaiting appropriation by the General Assembly. This county receives \$2,018.02 and the total received thus far this year is \$31,381.43. The municipalities the money goes for street repair while in the county for road repair only.

## SMALL POX IN CLIFTON

Two cases of small pox have broken out in Clifton, Chester Preston and the small daughter of Frank Swander. Both are under quarantine and the cases are mild in form.

## THE ROAD TAX LEVY

Don't think that you can save a few cents tax by voting against the road levy Tuesday. Defeat of this levy would only mean the complete wrecking of our road system which has cost the tax payers thousands and which if allowed to go to rack and ruin would only cost more in the end to rebuild than to keep in repair now that we have them. And good roads we will always have as long as the automobile exists and we have no sign at this time that anyone class has quit purchasing them.

Good roads stimulate business. Most of the money paid for roads represents labor, and labor spends this money for the necessities of life. It takes labor to make brick. It requires labor to get out stone. The same for cement. The coal to burn it. To man freight cars to haul road material. To manufacture road building machinery and even to get the iron and steel for use.

Good roads mean mail delivery for Uncle Sam sends no mail over bad roads. We must transport out children over good roads for school trucks cannot cover bad roads in bad winter weather.

Good roads enables the farmer to get to town for social, religious and business purposes.

Good roads promote prosperity; they are a sign of progress. They add ten dollars in value to farm land to one it costs and under a general tax levy not only farm land but town property bears its share.

We have had a two mill road levy for the past five years. A vote "Yes" will not increase your tax one cent over what it has been.

Far better pay as you go as we have than have bonds issued to pay for roads with interest added.

The roads must be kept up. They will be kept up. It is either a bond issue or the present plan of the two mill road levy and pay as you go.

Make up your mind to vote "Yes" and not be sorry later.

## MASONS LAY CORNER STONE FOR NEW TEMPLE

The corner stone for the new \$175,000 masonic temple in Springfield was laid Wednesday afternoon with appropriate ceremony. More than 4000 visiting masons from all parts of the state attended and took part in the ceremony.

## COLLEGE TEAM FAILS TO HOLD STRONG DEFENSE BOYS

Cedarville College football team was not able to make a showing last Saturday against the Defiance team. The local team was minus several of the regular members due to injuries in the Wilmington game and new men had to be put forth. The score was 49-0.

## PATRONS ARE LIBERAL WITH PATRONAGE FOR SCHOOLS

The Public Schools wish to take this opportunity to express their appreciation of the hearty support and cooperation received in making the cafeteria supper and program of last Friday evening the decided success it was. The very hearty support of the teaching staff deserves marked attention. The teachers were constantly on duty directing the service and seeing to it that all were well cared for. The pupils were ready and glad at all times to do their very best in the services of the supper and the handling of the crowd.

The patrons and patrons were unstinting in their contributions of food as was evidenced by the feeding of somewhere near 300 people. Very little food was left at the close of the supper and what was left was cared for by the patrons before leaving the building so there was no waste.

The bread for the supper was donated by the Cedarville Bakery. The trays were donated by Mr. McMillan. Some supplies were donated by Mr. Fringle, special prices were given by Mr. Fringle, Mr. Greed and Mr. Richards on supplies furnished by each.

The gross receipts of the evening including the supper, the candy, the fortune booth and cash contributions was \$112.47. The gross expenses covering all purchases was \$29.46. The net balance in the fund is \$123.01.

This amount will go a long way toward supplying the typewriter equipment for which it is intended. The Senior class of the High School is planning for a "Tag Sale" on Election day. The returns from this sale are to supplement the returns from the supper and be a part of the same fund.

Mr. John Davis of the O. S. U. and Miss Eloise Davis of Ashtabula, spent the week-end at home with their parents, Mr. and Mrs. I. C. Davis.

Ten cases of small pox are now reported in Clifton. As a number of high school pupils come here daily from that place there should be more than ordinary precaution taken rather than have the epidemic go through our schools.

## COLLEGE GIRLS ENTERTAIN AT HALLOWEEN PARTY

The Girls of Cedarville College entertained the young men and faculty of the college at a Halloween party in the Alford Gym. Monday evening Fall leaves, fodder, combining a color scheme of yellow and black were used to decorate the room. Prizes were given for the funniest, prettiest and most original costumes. Messrs. LaClade Markel and Carson Webster won the prize for the funniest costume while Miss Evelyn Anders wore the prettiest costume and Miss Lena Hastings the most original. Refreshments of baked beans, chicken patties, sandwiches, pickles, pumpkin pie and cider were served.

## WANTS DAMAGES AS RESULT OF SHOOTING

The accidental shooting in the log of Samuel Leroy Bear of Wayneville by a member of a shooting party trying to arrest him for booby-trapping last February 25 is the basis of a suit for damages brought Tuesday in Common Pleas Court against Sheriff Morris Sharp and his bonding company, the Fidelity and Deposit Company of Maryland, for \$10,000.

An officer of the party fired to frighten Bear when he refused to halt when commanded to do so, while fleeing to escape arrest and a bullet struck him in the right leg below the knee. He claims he was permanently injured.

A charge made in the petition that there was a frame-up between the sheriff and an alleged booby-trapper to catch Bear is emphatically denied by Sheriff Sharp. The sheriff says that he knew nothing of the case until he received a telephone call that night and went to the scene with two deputies in the performance of his duty.

Just previous to the shooting of Sheriff Funderburg's team he was involved in a suit as the result of shooting at a party of boys in a dark woods who had been reported as hold-up men by a passing motorist. An effort was made to indict the officer but this failed and he has now damage suits standing against him.

It looks like there are other berths about the court house that might be more inviting than serving as sheriff in this county.

The city of Xenia was sued for \$10,000 damages Tuesday by Fred Fox, who alleges that he was assaulted by Clay Phillips, special policeman, while the latter was attempting to arrest him on South Detroit street the night of last August 19.

The plaintiff alleges that the patrolman broke his mace over his head and threatened him with a revolver and fired a shot after him as he broke away from him. Phillips is not now a member of the police force.

## MINISTER WEDNESDAY

Word was received here Wednesday of the death of Rev. W. J. Smiley at his home in Sparta, Ill. Rev. Smiley was past 80 years of age and was well known to many citizens here. He had been in feeble health for some time. His wife was formerly Miss Lucille McMillan, daughter of the late H. H. McMillan. The wife survives as well as a number of children, one of whom attended Cedarville College some years ago and is now a practicing physician in Indianapolis, James Smiley. The deceased was for many years pastor of the Reformed Presbyterian church in Sparta.

Reports from several sections of Madison county and adjoining counties state that a bumper crop of soy beans is being harvested in this section. The reports state that several farms of 200 acres of soy beans are being sold by farmers to buyers at prices ranging from \$2 to \$2.50 a bushel in the dirt. The statements include reports that the soy beans are showing a yield of from 17 to 25 bushels to the acre. This crop is a new one in this section on a large scale and the results of this year's harvest are being watched with interest.—Madison County Press.

## OUT IN THE COLD

There have been inquiries from various sources why Cedarville did not have at least one Republican campaign speech. We are unable to give any definite answer in view of the fact that most every town in the county has been recognized as having a part in the campaign. Cedarville township will deliver the usual Republican majorities just as we have in the past and probably a little greater under the circumstances. Cedarville township voters have no great love for the powers that be in party management in the county and we judge the management feels the same way about this township and completely ignored us.

## DURO SALE WAS WELL ATTENDED THURSDAY

The Duroc sale of hogs Thursday at Cedar Vale Farm attracted many buyers and proved to be one of the best so far this season. The highest priced hog brought \$154. The 68 head averaged \$32 against an average of \$34 one year ago.

### THE ELECTION

The election Tuesday should attract the attention of every elector who should make it his duty to be sure and vote. Every election is important but the oldest citizen has never before faced one more important than on Tuesday.

Many important issues are at stake, in nation, state and county. It is then your duty to register your vote and not have it said the next day that we have a minority government.

The time is here to check radical movements and it is your guaranteed privilege to express your views at the ballot box.

According to our way of thinking a straight Republican ticket is the answer and solution to this radical wave that is sweeping the country. It holds before the people certain alterations in our government for ideals the people are not ready for. The first of importance is that the prohibition enforcement laws are at stake. All else is more or less a smoke screen. President Coolidge represents the element that put this amendment on the statute books and he will keep it there. Harry L. Davis for governor stands with the president on law enforcement and the type of men necessary to enforce this law. All of this can be secured by a straight vote for the Republican ticket.

Do not overlook voting "Yes" on the two mill road levy for the next five years in the county. It will not increase your taxes a cent more than they have been and the roads will be kept up even if bonds are issued. Do not overlook this, save the interest on bonds—pay as we go. The money is divided among the various townships on the basis of what is paid in. The same with the villages.

Another issue is the electric light vote. Cedarville must have electric lights on our streets at night. The only way we can have them is by a vote just as we have, twice before voted—and always in the affirmative.

You are not economizing one cent by opposing these two tax levies. By the one you will save money. By the other you would deplete the selling value of your town property if we had no electric lights at night. No one would want property in a town that had no street lights.

### NOTICE OF ELECTION

Notice is hereby given by the Council of the village of Cedarville, O., that on Tuesday, Nov. 4 at the usual voting precincts in the Village of Cedarville, Ohio, and within the regular voting hours, there will be submitted to the electors of said Village the question of an additional tax levy of two mills over the usual tax limitations as provided by Section 5649-2 and 5649-3 of the General Code for the purpose of paying for electric lights for the village for the years 1925, 1926, 1927, 1928 and 1929 respectively.

Resolution authorizing this notice passed by the Council of the Village of Cedarville, April 7th, 1924.

J. G. McCorkell,  
Clerk of the Village of Cedarville, Ohio.

HARRY L. DAVIS  
for Governor

"Campaign promises are as solemnly binding as if made under oath."

—HARRY L. DAVIS

# An Open Letter to the Public—

To the Citizens of Ohio:

It has been my privilege in this campaign now closing to stand before many of you and talk to you about my candidacy for the high office of Governor of Ohio. The limitations of time make it impossible, however, to meet, as I should like, every man and woman in the state.

My first concern is that you cast your vote for President Coolidge who by his sterling character and good judgment has shown himself not only a party leader but every inch a President. Also that you support President Coolidge with a Republican Congress, so that there will be party accord in national affairs. This you can do only by your ballot.

Our Republican State Ticket should likewise be given your vote—so that there may be no doubt about the election of every candidate; and with these officials we should by all means elect a complete Republican State Legislature.

In every address I have asked Governor Donahey certain clear-cut and definite questions. A few of these questions have been passed to his department heads, resulting only in evasive and indirect replies. I stand ready and have challenged him to compare his record as governor with mine. He has refused.

My own record is before you. On it, I have no hesitancy to ask your support. To be elected Governor again, I must depend altogether on those who have the best interests of the people at heart; to the people, I must look for assistance in the fight I am making.

Every one of the campaign promises four years ago was fully performed. I am before you again, pledging once more to serve your interests with all my power and energy; to relieve the farmer and other abutting property owners of heavy assessments for road construction—to resume our program of constructing more permanent roads at less cost than now—strictly again to enforce all laws of Ohio—to re-establish firmly the great cash balance of \$20,500,000 our administration built up—to keep abolished the \$12,000,000 state tax levy wiped out as a direct result—and in all respects, to carry into full force and effect the 1924 Republican state platform.

To aid in accomplishing this, I again appeal to you for the election of all Republican State Candidates and a Republican Legislature.

Sincerely,

Harry L. Davis

Democratic Candidate M. A. Broadstone  
For Congress

C. K. WOLFE

Election Tuesday, November 4th, '24.

7th Congressional District Comprising Clinton, Warren, Greene, Fayette, Madison, Clark, Champaign, Union and Logan Counties.

Mr. Brand after a trip to Europe says to the farmers, "Raise less wheat more sheep, and sugar beets." I remember having raised sugar beets for the government thirty-five years ago, for experimental purposes, the report was. Not a high enough per cent of sugar to make it pay. So either the government is wrong, or Mr. Brand's advice is bad.

If every farmer gets sheep, how long will it be until sheep will pay as well as wheat? Mr. Brand did not say that Europe did not need more bread.

But he did go to Europe, look upon her misery, her want, and passed by on the other side, and is asking every voter in the Seventh District to do the same. Are you going to do it?

I did not see Europe, but am ready to extend the helping hand this way: To put International Exchange on one hundred per cent basis.

How? Let Congress instruct the president to make this offer to all Governments. We will enter into treaty with each of you, and each with the other: That International Exchange shall consist of gold plus fifty per cent of the assessed value of the real estate and improvements on same of each nation.

The fifty per cent value to be issued to each nation in International Certificates good for all International debts and imports, making International Exchange the base for the International Court, then each nation's Exchange will be at par until the International Court says it is not.

Let us follow one of these certificates.

Germany takes a one thousand certificate; hands it to France to apply on her indemnity France hands it to England on her debt to England, England hands it to United States on what she owes us. One of our importers buys a bill of goods from Germany; our importer goes to his bank buys this certificate, hands it to Germany for the goods. The certificate has completed the circle—paid France, paid England, paid the United States, and for one bill of goods.

Each nation satisfied, nobody hurt, and no interest to pay. Each nation co-operating with the other, and every land owner a share holder in the greatest financial organization on earth, then every International dispute must go to the International Court. No possible chance for International War.

A plan absolutely fair and sound, absolutely honest and Christian, making it possible to re-enact that miracle of feeding the multitude with what you have. Showing the world that this country is Christian, that we are ready to do unto others as we would be done by. Showing the nations that we are ready with their co-operation to lift this world to a higher civilization.

And prove that with Christian co-operation we will not have to bow the knee to the man or men who have cornered the gold of the world. Making it possible for us to get a market for everything we raise, a market for all our manufactured goods, speeding up the wheels of Commerce. Doing all this for the good of humanity, and to the glory of the Creator.

This is what I stand for. Are you standing with me in this movement, or are you going to stand with Mr. Brand and pass by on the other side? Political Advertisement

New English Flower

A red and green flower that may be seen to crawl along the ground for a distance of 10 feet, blooming for two weeks and turning to a pale yellow before it dies, has been grown by James Cuthaw, an Ely (Eng.) gardener. Moonlight is said to be particularly favorable to the growth of the flower.

Candidate for Probate Judge on the Non-Partisan Judicial Panel

M. A. BROADSTONE

In addition to a thorough knowledge of the law and a wide experience in legal practice before judges and juries, citizens of the community like to feel that the judges in their courts are their own kind of people, thoroughly acquainted with all of the people in the community. It is doubtful if any man in Greene County has a wider acquaintance or a larger circle of friends than Mr. A. Broadstone. Mr. Broadstone was born in Beaver creek Township and worked by the month on farms in that locality until, as a young man, he entered the Old Xenia College, when he was enabled to continue his education by teaching during the winter in Cedarville and Sugar Creek township schools. Subsequent to this he completed his education at the National Normal School at Lebanon, Ohio.

After his marriage in 1881 to Ella Creators, who was at that time a teacher in the State Public schools at Coldwater, Michigan, he engaged in the undertaking business in order to have an opportunity for studying law, a vocation which he had determined upon, but in which his studies were all made subsequent to his marriage and after he had become burdened with the responsibility of supporting a family.

The Honorable John Little of Xenia was the attorney who guided and directed Mr. Broadstone's law studies and under his tutelage he was able to secure admission to the Ohio Bar in 1895 with a very high grade in a large class of applicants of that year. Mr. Broadstone has practiced law in Xenia since 1895, and served as Recorder of Greene County, and one term as State Senator, and also as Representative in the Legislature. In all of these positions he has represented the best interests of the people and has been capable, accommodating, economical and honest officer. He is a member of the Presbyterian Church, the Masonic Order, the Odd Fellows and the Knights of Pythias.

Mr. Broadstone secured the nomination for Probate Judge at the Republican Primary election without opposition. While Mr. Broadstone was nominated on the Republican ballot at the Primary, the office is non-partisan and it will be necessary to make a mark in front of his name on the non-partisan judicial ballot.

IMPROVED UNIFORM INTERNATIONAL  
Sunday School  
'Lesson'

Lesson for November 2  
THE PRODIGAL SON—WORLD'S TEMPERANCE SUNDAY

LESSON TEXT—Luke 15:11-32.  
GOLDEN TEXT—I will arise and go to my father—Luke 15:18.  
PRIMARY TOPIC—The Story of a Father's Love.

JUNIOR TOPIC—The Parable of the Prodigal Son.  
INTERMEDIATE AND SENIOR TOPIC—The Prodigal's Wanderings and Return.

YOUNG PEOPLE AND ADULT TOPIC—Prodigality: Prevention and Rescue.

The center of interest in this parable is not the prodigal nor his brother, but the "certain man who had two sons." In this parable in a most picturesque and dramatic manner the history of man is portrayed, from his fall to his reconciliation with God. The whole orbit of revelation is swept as it pertains to a sinning race and a pardoning God. He who fails to see the heart of our Father God will miss the purpose of the parable.

I. The Son's Insubordination (v. 12). There is every indication that this was a happy home. But a devil entered it and stirred up discontent in the heart of the younger son. His desire for freedom moved him to wilfully choose to leave home—throw off the constraints of his father's rule. Sin is the desire to be free from the restraints of rightful authority and for selfish indulgence. At the request of the son, the father "divided unto them his living."

II. The Son's Degeneration (v. 13). Having made the fatal decision he went post-haste to the enjoyment of his cherished vision, so he got his goods in portable shape. Having thrown off the restraints of his father's rule he eagerly welcomed from his father's presence. This is always the way sin works. Adam and Eve after they had sinned hid themselves. The son could not now stand the presence of his father, so he hastened away.

III. The Son's Degradation (v. 14). He had a good time while his money lasted, but the end came quickly. From plenty in his father's house to destitution in the far country was a short journey.

IV. The Son's Restoration (v. 15-24). He had no friends now to help him when his money was all gone, so he was driven to hire out to a citizen to feed swine. It was quite a change from a son in his father's house to feeding hogs in the far country. So it is that those who will not submit to God's rule are driven to do his bidding (Rom. 6:10). In his shame and disgrace he could not even get the necessary food. The coarse food of the hogs was denied him.

V. The Son's Restoration (v. 15-24). He came to himself (v. 17). When he reflected a bit on his condition he saw that though he had wronged his father and ruined himself, yet he was a son of his father. In the days of his sinning he was beside himself. The slumber continues in his sin because he is insane. If we could but get sinners to think seriously of their condition it would be more easy to get them to turn from their sins.

2. His Resolution (v. 18). His reflection ripened into resolution. The picture of his home where even the hired servants had a superabundance, moved him to make a decision to leave the country and go home.

3. His Confession (v. 19, 20). He acknowledged that his sin was against heaven and his father—that he had forfeited his right to be called a son and begged to be given a place as a hired servant. The slumber not only should make a resolution, he should confess his sin.

4. His Action (v. 20). Action was needed. Resolution will not avail unless accompanied with action. When the confession is genuine, action will follow.

5. His Reception by His Father (v. 20-24). The father had not forgotten his son. During these years he longed for his return. He must often have looked for him, for he saw him when he was a great way off. So anxious was he for him that he ran to meet him and fell upon his neck and kissed him. So glad was the father that he even did not hear his confession through, but ordered the tokens of honor to be placed upon him, receiving him back into a son's position. Then the feast was made, expressive of the joy of his heart. God is love. Jesus came to reveal God. This parable makes bare God's heart.
